

FOLIO

THE UNIVERSITY OF ALBERTA STAFF BULLETIN

EDMONTON 7, ALBERTA

JUNE 24, 1971

DENTAL STUDENTS RECEIVE SUMMER AID

The Dental Student Community Program of The University of Alberta has received a contribution of \$86,450 from the federal government's Opportunities for Youth Program, the largest allocation in Western Canada. Eighty-six students will be paid \$1,000 each for three months work this summer and the balance of \$450 will be spent on administering the program.

The students commenced work on May 10 and all 86 are currently employed on approximately 20 different projects throughout the province. Many are engaged in preventative dental care programs at such centres as the Robin Hood School for Retarded Children at Sherwood Park; the Alberta Hospital at Oliver; the Alberta Hospital at Red Deer; the Fort Saskatchewan Correctional Institution; the City of Edmonton Local Board of Health, and various public health units throughout Alberta.

The philosophy of the Dental Student Community Program is to provide services to an underserved area of the population, while at the same time acquainting the student with problem areas in our society.

The program is being administered by an executive composed of MURRAY BLOOM, a dental student; DON BROWN, a graduate student in Business Administration and Commerce, and HERB SILBER, a student in the Faculty of Law.

SCANNING ELECTRON MICROSCOPE ACQUIRED

The National Research Council of Canada has awarded a major equipment grant of \$72,000 for a Scanning Electron Microscope (SEM) to D. A. CRAIG, Assistant Professor of Entomology. The successful grant application was supported by other potential users in many departments and faculties.

The SEM will be housed in the Department of Entomology on the second floor of the Agriculture Building and will be operated by the Department for the use of all staff members who require these facilities.

Details for users will be published in FOLIO when the SEM is in operation, which is expected to be around mid-August.

KENNETH ARTHUR KYLE 1918-1971

KENNETH ARTHUR KYLE, Assistant Manager of the Building Services Division of the Department of Physical Plant, died suddenly on Friday, June 18, after a short illness. Mr. Kyle was born in Strome, Alberta, on October 15, 1918, and attended Rosevale School, from which he graduated in 1935. He enlisted in the Canadian Army in February, 1940, and participated in the invasion of Sicily. He left the army finally in July of 1958, having re-enlisted in 1946 and served in both Europe and Japan. He was with the Alberta Co-operative Association as warehouse supervisor for two years before joining The University of Alberta as caretaker in February, 1961. He was promoted Chief Caretaker on October 1 of that year, a position he held until October 1, 1968, when he was promoted to Assistant Manager with the re-organized Building Services Division.

Mr. Kyle had been a member of the Alcohol and Drug Abuse Commission of the Province of Alberta since March, 1970. He was active in the National Executive Housekeepers Association, and was the Treasurer of the Alberta chapter at the time of his death. He was also a member of the Montgomery Branch, Number 24, Royal Canadian Legion. He is survived by his wife, Sally, two daughters, and two sons.

CONTRACT AWARDED

The Board of Governors has announced that the contract for construction of a feed mill at the University's Ellerslie Farm has been awarded to Apex Seed and Feed Plant Construction Ltd. of Calgary. Apex was successful among five bids with a price of

\$192,024, below the target cost of \$194,000.

The feed mill will provide modern facilities to mix and process feeds for livestock and poultry for the Department of Animal Science. It is designed to give versatility in the types of feed produced, as about 400 experimental rations are fed during the course of a year. Research in animal nutrition requires production of feeds to rigid specifications, accurately compounded, and free from contamination.

J. R. OGILVIE of J. R. Ogilvie and Associates Ltd., consulting engineers, was prime consultant on the project.

PEOPLE

DALE E. SEBORG, Associate Professor of Chemical and Petroleum Engineering, presented a paper at the Oil and Gas Automation Seminar in Calgary. The seminar was sponsored by the Instrument Society of America.

P. M. DRANCHUK, Associate Professor of Chemical and Petroleum Engineering, served as a session chairman and presented a paper at the International Union of Theoretical and Applied Mechanics Symposium in Calgary. He also served as a judge for the Canada-wide Science Fair held recently in Edmonton.

PHILIP FOURNIER, caretaker of the Chemistry Building, will be retiring on June 30 after 21 years in the service of the University. Mr. Fournier, a Canadian of French extraction, was originally with the Arts Building, but when the Chemistry Building was opened on May 24, 1961, he transferred his allegiance and only retirement has been able to terminate his devotion to it.

FREDERICK ENNS, Associate Dean of Education, represented the faculty at the Canadian Teachers' Federation Third Conference on Teacher Certification held in Vancouver.

NOTICES

PARKING

Parking renewal notices sent to all permit holders and new applicants stated that the private stalls in Car Park I may be eliminated. It was also stated that Parking Zone "U" should be converted to Zone "X."

It has now been decided that permits

will be renewed for persons presently holding private stalls in Car Park I, but no new permits (as opposed to renewal of existing permits) will be issued for private stalls in Car Park I. Parking Zone "U" will not be phased out as originally planned.

Visitor parking. Twenty-eight parking meters have been installed in Car Park I for the use of visitors to the campus. These are five-hour meters at 20 cents per hour and are in addition to the meters already in service. Deans and department heads may arrange for parking for distinguished visitors in accordance with the parking and traffic regulations.

GARNEAU PRE-SCHOOL PROGRAM

The kindergarten program in Garneau School still has some vacancies for September, 1971. To be eligible, children must be five years of age by the end of February, 1972. There are no residence or religious restrictions. A teacher has been hired who is qualified and experienced in early childhood education. Fees are \$15 per month. For further information, call MRS. PAM CHURCHILL, 433-2620.

PHYSICAL EDUCATION FOR CHILDREN

During Summer Session 1971, the Educational Services Division of the faculty of Education, in conjunction with the Faculty of Physical Education, will offer classes in games, gymnastics, and dance, and possibly swimming, for children in grades one to three. The classes will be held on Wednesdays, July 7, 14, 21 and 28, and August 4, between 1:30 and 3:50 p.m., in the Education Gymnasium.

Classes will be taught by the staff of the Faculty of Physical Education and will be observed by Summer Session students. Enrolment will be limited to thirty children on a first come, first served basis. There will be no charge, but parents are asked to assume responsibility for bringing children to and taking them from the Education Building. To enrol children, call MRS. SCHULLER at 432-5635.

WEST INDIAN SOCIETY

The West Indian Society is presenting a pre-Klondike Dance at the Hazeldean Community Centre, 96 Street and 66 Avenue, on Friday, July 2. The music will be provided by the Caribbean Harmonites Steel Band and the Caribbean Ambassadors. There will be an admission charge of \$2 and the proceeds of the dance will be used towards building a float for the Klondike Parade. Persons interested in participating in carnival style Klondike celebrations should telephone RALPH HENRY at 432-5440 days, or 433-9326 or 439-0772 after 6 p.m.

CLASSICAL DANCERS OF INDIA

The Hindu Society is presenting a live performance of "Dances of India" featuring the classical dancer PADMINI and her troupe, on Sunday, June 27 at 7:30 p.m., in the Students' Union Theatre. The presentation, which offers non-Indians an excellent introduction to the cultural heritage of India, will feature mainly classical dances in the Bharata Natyam style, as well as some folk dances. All interested persons are invited to attend. Tickets at \$2.50 each may be obtained by writing to the Hindu Society, Box AS 363, The University of Alberta, or telephone 433-4748.

PERSONAL NOTICES

ANNOUNCEMENT

Due to the increased cost of publishing FOLIO, and the lack of funds for University operations this year, "Personal Notices" can no longer be published as a free service. Beginning with this issue, readers are asked to pay a small fee for their advertisements.

Notices must be received by 9 a.m. the Friday prior to publication. Rate is seven cents per word for the first insertion and five cents per word for subsequent insertions ordered with the first. To avoid billing, notices MUST BE PAID IN ADVANCE. For assistance or order blanks, telephone Mrs. Adrienne Lent, 432-4991.

Accommodation available

- FOR RENT—One-bedroom apartment (University Avenue Manor, 10839 University Avenue). Well furnished, quiet. Carpet throughout, Muzak in halls. Caretaker Apt. 16. \$165. 439-7762, 488-9151.
